

# The Casa Grande Mountain Trails Project Welcomes 2nd Americorp Team- Fire Eight!

The second AmeriCorps team arrived on March 15<sup>th</sup> and after a brief orientation began work on constructing the new ridge trail North from the proposed Arica Road trailhead site. Their goal is to reach the proposed Northern trailhead, completing a ridge trail with a complete north to south connection (almost four miles one-way) on Casa Grande Mountain Park property. The AmeriCorps NCCC team is scheduled to continue constructing trails for non-motorized use (hiking, mountain biking, horseback riding) in Casa Grande Mountain Park until Wednesday, May 4, 2011. Stop by during your trip to the mountain and let them know how grateful our community is for their efforts! Welcome Fire Eight!

As you may already know, the city was successful in obtaining a 25 year lease on 80 acres located on the southeast side of Casa Grande Mountain. Over the next few weeks, we will be fencing off this entire 80 acres as part of our on-going efforts to properly manage the land and minimize Illegal Dumping, Shooting, OHV (Off Highway Vehicle) Use, etc. Signage will be posted and people are encouraged to be proactive by calling the Casa Grande Police Department in an effort to continue to protect and preserve Casa Grande Mountain Park. Thank you for your continued support.

# Trail Construction Continues!

Once again the March Trail Build event held on Saturday the 26th was a huge success. More than 100 volunteers gathered to contribute over 400 hours constructing new trail. Volunteers enjoyed a fantastic spring morning with a cool breeze and developed an additional 2,075 feet of trail on the South East portion of the Casa Grande Mountain Trail System. A delicious lunch was served by the great volunteers of Palm Creek RV Resort. Check out the action shots and more at [www.cgmountain-trails.org](http://www.cgmountain-trails.org).
